(E) The above averages must be verified by one or more of the following methods:

- i. Using bowler abstracts from bowl.com and/or provide league numbers/standing sheets from bowl.com or leaguesecretary.com, or a league's official website.
- ii. Using a league standing sheet, signed and dated by a league officer or a letter from the league President or Secretary.

- 12) Failure to report proper averages at the time of application or at the Tournament registration period will disqualify the bowler if the submitted average is lower than the actual average as determined by rule 10, thereby resulting in a lower classification or more handicap. Winnings will be based on the submitted average if it is higher than the correct average. (USBC Rule 319A, item 3)
- 13) The Tournament management reserves the right to re-rate any entrant prior to bowling for reasons other than those set forth in rule 10.

- 19) Results will be posted to the Tournament website within 30 days of the completion of the Tournament. All financials and scores will be reported as necessary to IGBO, USBC and any other governing body.
- 20) After a score has been recorded, it cannot be changed unless there has been an obvious error in scoring or calculation. - 21) A protest or appeal involving eligibility or playing rules must be filed with the Tournament management, the local association or USBC before Tournament prizes are paid. The protest or appeal must be in writing and the grounds for the protest or appeal briefly stated. An appeal regarding the decision of the Tournament management or local association may be made to USBC. The decision of USBC is final and binding on all parties involved. Prizes for the positions affected cannot be distributed until the protest or appeal is resolved. (USBC rule 329)
- 22) All average verification documents, both league and tournament, should be emailed to DCFrat@aol.com for secretarial purposes. They should be received by the Tournament secretary no later than the September 13th entry close date.
